

# Corporate Membership application

## Please read these notes before completing the form.

Corporate Membership of Taste Real Food is available to businesses, educational institutions, charities, local authorities, voluntary organisations, and all other organisations that subscribe to the principles of Taste Real Food, subject to acceptance by the board of Taste Real Food UK.

The current Corporate Membership fee is £75 per annum, payable in advance. Membership lasts for twelve months from the date of us accepting your application and membership fee.

Applications for Corporate Membership should be made on this form. A named individual contact/representative should be appointed by the organisation, and all communications from Taste Real Food will be sent only to that named person.

## CONDITIONS OF CORPORATE MEMBERSHIP

We would ask you to note the following points:

- (a) All membership applications are subject to acceptance by Taste Real Food UK, who reserve the right to decline any application at their sole discretion.
- (b) Corporate Members may state publicly in their literature and elsewhere that they are Corporate Members of Taste Real Food, and that they support Taste Real Food. They may be issued with a window sticker and/or a special logo (in electronic format) to indicate their membership and support. The sticker and/or logo remain the property of Taste Real Food UK at all times and must not be used in any circumstances after the membership expiry date.
- (c) Corporate Members (including their directors, employees, agents and any subsidiary or parent companies or organisations) may not state, suggest, imply, or do anything on their premises, in their advertising, marketing or elsewhere, that could be construed as suggesting or implying that Taste Real Food has given approval to, or recommends, any of their products and/or services. Failure to comply with this rule can result in immediate termination of membership.
- (d) A separate Recommendation Scheme is in the process of being set up so that members can recommend suitably approved food-related establishments. Recommended establishments will be advised of this. The Recommendation Scheme is entirely separate from Corporate Membership, and should not be confused with it.

We look forward to receiving your membership form, but if you would like any further information about Corporate Membership please do not hesitate to contact the office.
